## **Associate Veterinarian Opportunity**

Small animal clinic with 2 locations and 3 veterinarians is currently seeking another associate Veterinarian to join our expanding team! We believe that pets are part of the family and we treat each and every animal with kindness and respect from birth to their final hours. We have a very technician driven, strong team environment and we are looking for a strong veterinarian that can work independently, practices high quality medicine and is comfortable in surgery. We offer competitive salary, health insurance, supplemental, dental and vision insurance as well as vacation and sick leave. Our facility is very unique and comfortable. Exam rooms overlook the pool where we do physical therapy and over a beautiful canal (we are accessible by boat or by car!). We are located in sunny SW Florida. If you are the right person for the job, then please let us know...
