

# **Town & Country Animal Hospital of Collier County, Naples FL.**

## **Full Time Associate Veterinarian**

T&C is an AAHA accredited two doctor practice that offers a full line of small animal medical, general dentistry and soft tissue surgical services.

We also offer a comprehensive range of small animal reproductive services under the direction of a Board-Certified Diplomat of the American College of Theriogenologists.

The practice employs a full array of in-house state-of-the-art diagnostic, digital and laser technologies.

Interested applicants would mostly likely be more recent graduates with less than five years previous working experience, a genuine interest in soft tissue surgery and participation in small animal reproductive medicine through continuing education and a mentoring process.

We offer a fixed annual salary, annual bonus plan participation, comprehensive paid personal and professional benefits, continuing education opportunities and a hospitable environment for work-life balance, long-term professional development and growth.
