### **Full Job Description**

McGregor Blvd Veterinary Clinic is currently seeking a technician to join our team. The ideal candidate is compassionate, professional, and a team player.

We are looking for a technician with strong people skills, experienced in lab work and who excels in a busy environment. Experience with anesthesia and handling of surgical equipment would be a plus.

Salary will be contingent upon experience and skill set.

Weekend and holiday hours are required.

We have a friendly and supportive team and we look forward to adding new members.
