

## **Animal Medical Center of Lehigh Acres is seeking Full Time Veterinary Technicians**

Are you looking for a new and exciting opportunity? Are you looking for a place with continual opportunities to learn? Well, here it is! The Animal Medical Center of Lehigh Acres is seeking dedicated, enthusiastic veterinary technicians to join their team.

We are a three doctor AAHA accredited practice that specializes in providing high quality, compassionate and convenient care for our patients. We are seeking energetic, reliable and professional veterinary technicians who recognize the importance of the relationships between humans and animals and who see our clients and patients as extended family. Our practice provides many services such as wellness services, surgery, digital radiography, digital dental radiography, ultrasound, laser therapy, laser surgery, an in-house laboratory and pet resort. We are committed to providing the most advanced veterinary diagnostics and treatments in an environment of care and compassion.

Technicians interested in these positions must be able to work in a fast-paced environment while multi-tasking and maintaining strong attention to detail. The ideal candidate must possess excellent skills in anesthesia, radiology, IV catheter placement, venipuncture, patient restraints/handling, and drug calculation. Basic knowledge of Idexx Vetlab and related equipment, laser, digital radiography, digital dental radiography and Cornerstone preferred. Additionally, candidate must demonstrate strong communication, interpersonal, organizational, and team player skills. Must be proficient in patient handling, monitoring, supportive therapy, treatments, and emergency procedures. The ability to work weekends is a must. This is a strict drug-free work environment.

Full time benefits will include:

- Health Insurance
- Retirement Plan
- Paid Time Off
- Continuing Education
- Veterinary services at a reduced rate
