

### **Fort Myers, Lee County Florida Veterinarian Practice and Real Estate For Sale**

Long established “turn key” Veterinarian Clinic with Real Estate and Equipment. This clinic specializes in all aspects of dog and cat care and boarding. Medicine dispensary, retail food and treats available inhouse and online. Long term and new clientele. Staff members have been employed for 4-19 years and would be available to continue employment. Veterinarian/Owner is part-time, so a full-time veterinarian/owner could increase gross income immediately.

This practice has been prequalified for SBA financing and should qualify for a visa, if one is needed.
